

## Great Fortune of February

The great leader Comrade Kim Jong Il was born on February 16, 1942, on Mt Paektu, the sacred mountain of the Korean revolution. The day marked a great event heralding the bright future of the Korean nation with a history spanning 5 000 years.

Thanks to the great fortune of February, the DPRK is now exalting its dignity and greeting a new era of prosperity in which all the dreams of its people come true.

That is why, in every February, the Korean people make up their minds to surely build a socialist paradise on this land, true to the wish of Kim Jong Il, with the yearning for him who achieved great exploits for the country and people that would shine for all ages and added eternal glory to Juche Korea.
